## BULGARIAN ATROCITIES

### CENTRAL MACEDONIA

ARRESTS On the 9/9/43, Bulgarian soldiers and Komitadzis encircled Mesolofos village (Kilkis) and began firing on the innocent inhabitants. They made many arrests and looted the village. A number of inhabitants were wounded.

Since September 1943 in the Pentalofos area, Bulgarian soldiers and Komitadzis commit wide scale atrocities, slaughtering, hanging, arresting, ill-treating the population, violating the women and plundering the villages. In Voulgaraki village, Bulgarian soldiers entered the house of a young man who was a member of a Guerrilla organisation and raped his sister. The father tried to resist and so the Bulgarians cut his ears off.

Bulgarian troops on entering Halkidiki (30/9/43) encircled Portes village (Kassandra) in order to search for hidden arms. Many inhabitants were imprisoned in spite of the fact that no arms were found.

On the 5/12/43, 46 inhabitants of Ierisson (Halkidiki) village were arrested by a Bulgarian patrol for infringing the curfew hours. Amongst them are Filipes Kattas and Ioan. Panayottou. They were confined in a house where they were beaten mercilessly. On the next day they were all released except for one who was sent to prison.
